THANK YOU to everyone for attending our first ever Virtual Mixer!!!

Our event was a great success!! We had over 70 SLPs and Audiologists signed up to listen to Frank Kitchen's inspiring words. Our talk, titled, "Does your community shine like apples?", helped us hone in on our own leadership skills, as well as helping to promote leadership and inner confidence to those that we work with!!

Thank you for attending and engaging with us. To those of you who received the free special gift for registering, our NSHA team will be notifying you of various pick up locations for your free book, "52 Ways to Shine". We will mail out to those that cannot pick up.

Please join us for our follow-up session with Mr. Frank Kitchen, also held via Zoom, where he will be providing us with more leadership tips and tools.

Our second virtual meeting is scheduled for **February 9th at 6 pm.**

This is an awesome tool recommended by our own NSHA Vice President. Mindy loves that it's easy to use, customizable per student/client, and has free community resources. Check it out!!
